

Get onto the M20 travelling South towards Dover  
This turns into the A20, but the road changes with no hassle.

You will get to a roundabout at the end of the A20, after the round about you will see Shakespeare Beach on your right (1)

Turn right at the 3<sup>rd</sup> roundabout, after a PB petrol garage on your left.

You will see a car park on your right, drive into it and park. You can then go and look for the escort boat. If you go over the drawbridge you have gone too far.

You will need to sort out a parking ticket if you are leaving the car there the whole day.
