

Get onto the M20 travelling South towards Dover  
This turns into the A20, but the road changes with no hassle.

You will get to a roundabout at the end of the A20, after the round about you will see Shakespeare Beach on your right (1)

Turn right at the 3<sup>rd</sup> roundabout, after a PB petrol garage on your left. Take the little yellow road on the map below (2)

Go over the drawbridge, and turn onto the beach road (Marine Parade)

Drive along the front and you will come to the Churchill Hotel on your left. Keep going.

You will see a strange bus shelter with a big spike on the top on your right. Park nearby, get ticket, and loiter near the shelter and we will find you.
